

Socorro Park Fees

Effective January 1, 2025

SUBJECT TO CHANGE WITHOUT NOTICE

Park fees are set by Comisión Nacional de Áreas Naturales Protegidas (CONANP).

The park fee for Parque Nacional Revillagigedo is 3,688 pesos per day of diving or 21,732 pesos for a six-day trip. We request divers pay this by credit card at least two weeks before departure. We also accept payment on the boat by credit card or in cash in USD, EUR, or MXN. We DO NOT charge a credit card service fee.

We are currently using an exchange rate of 19, which can change due to the volatility of the MXN. This means that the amount is \$1144.00. Please note that we do not charge credit card fees or the 16% tax imposed by the Mexican government.

Please email Carmina in Accounting at Carmina@MexicoLiveboards.com to pay your park fees.
