SEA OF CORTEZ MIDRIFF ISLANDS

ROCIO DEL MAR - QUINO EL GUARDIAN

Updated May 2024

WELCOME ABOARD

Welcome to the Sea of Cortez and the Midriff Islands!

We are thrilled to have you join us on this journey. Our destinations are enchanting, and our reputation is renowned worldwide. As a result, many of our guests return year after year. Our dedicated crew is committed to ensuring you have an unforgettable experience. This package contains details to assist you in preparing for your upcoming expedition. If you have any inquiries or specific needs, please feel free to reach out to us. We are excited to welcome you aboard!

SEA OF CORTEZ & MIDRIFF ISLANDS

The Sea of Cortez is a breathtaking scuba diving, snorkeling, and exploration destination. Legendary diver Jacques Cousteau described it as the "world's aquarium." Dive on untouched walls and reefs abounding in marine life. We dive with playful sea lion colonies and see countless eels, octopuses, fish, and jumping mobula rays. It's a macro photographer's dream with nudibranchs, colorful blennies, dancing jawfish, and sea horses. A trip highlight is snorkeling with whale sharks!

On the surface, we consistently see giant pods of dolphins and whale species, including pilot, fin, sperm, and orcas. The bird life is fascinating, with blue and brown-footed boobie birds, cormorants, frigate birds, and the endemic yellow-footed gulls.

The cacti-adorned islands are spectacularly beautiful, with dramatic formations and colorful layers. Nothing is more enchanting than sunrises and sunsets throughout your trip, and at night, you can gaze at stars that feel so close you could touch them.

We visit Isla multiple dive sites at Isla Ángel de la Guarda, Isla San Pedro Mártir, Isla Salsipuedes, Isla Las Ánimas, as well as Bahía de Los Angeles.

Our Sea of Cortez/Midriff Islands season runs from July through September. Rocio del Mar trips run from Saturday to Saturday, and Quino el Guardian trips run from Sunday to Sunday. The boat is located in Puerto Penasco, Mexico. Boarding begins at 5pm and departs at 7pm. We travel 12 hours and arrive by 7 am the following day, ready for our first dive.

On our last day, we dive in the morning and snorkel with whale sharks at Bahía de Los Angeles. We start motoring back to Puerto Penasco at 3 p.m., diligently watching the horizon for whatever comes our way. Divers enjoy 3-4 dives per day and two night dives.

OUR VESSELS

Rocio del Mar and Quino el Guardian, approved by the Coast Guard, are highly seaworthy. They are equipped with state-of-the-art electronics and all necessary safety equipment, ensuring your peace of mind during the dive expeditions.

ROCIO DEL MAR

Rocio del Mar is 110' long with a 25' beam.

Rocio Del Mar accommodates 20 guests in ten air-conditioned cabins, each sleeping two guests. There are six cabins with two oversized twin bunks (cabins 1-6), two cabins with a full bed and a twin bunk (cabins 9 & 10 on the upper deck), and two cabins with a queen bed each (cabins 7 & 8).

Each cabin has four drawers for storage and clothing/towel hooks. It also has a bathroom with a lavatory, shower, and toilet. We provide shampoo, soap, and bath wash. There are no hair dryers.

Our guests enjoy comfortable mattresses and quality bed linens. Our steward cleans all rooms, bunks, and bathrooms during the first dives of the day. We provide bath towels and dive deck towels, which are changed mid-trip.

The galley is in the boat's bow and comfortably accommodates all 20 passengers. The galley also has a television and DVD player should the group want to do presentations.

We have a large salon on the upper deck with full-sized sofas, a TV, and a computer station.

There is an outside covered deck with comfortable patio furniture and a shaded sundeck with lawn chairs perfect for relaxing between dives.

There are two outdoor showers and a restroom next to the dive deck.

All voltage is 110, just like in the USA. Each bunk has a double outlet.

QUINO EL GUARDIAN

Quino el Guardian is 90' long with a 23' beam.

Quino el Guardian accommodates up to 18 guests. Most trips have 16 guests.

We have four individually controlled airconditioned cabins that sleep four guests each. There are two bunks on eachside, two upper and two lower bunks. Each bunk has a privacy curtain. Each cabin has four large drawers, one for each guest. Limited storage space is also under the bottom bunks, and clothing/towel hooks are in the main cabin area. Cabins are typically assigned by gender. One cabin has two bunks, one upper and one lower. This cabin is generally reserved for a couple.

Our guests enjoy comfortable mattresses and quality bed linens. Our steward cleans all rooms, bunks, and bathrooms during the first dives of the day. We provide bath towels and dive deck towels, which are changed mid-trip.

Quino has four air-conditioned bathrooms with a full-size shower in each bathroom on the dive deck. Each cabin is assigned a bathroom so guests can leave their items and towels inside. Shampoo and soap dispensers are in each shower. All passengers share two lavatories on the dive deck.

The galley comfortably accommodates up to 18 passengers. The galley also has a projector and a large drop-down screen should your group want to do presentations.

A comfortable salon has sofas, a TV, and a computer table.

There is an outdoor shower on the dive deck.

On the second deck is a large, shaded sundeck with lawn chairs for relaxing between dives.

All voltage is 110, just like in the USA. Each bunk has two double outlets.

QUINO EL GUARDIAN BOAT / CABIN LAYOUT
Cabins 1-4 have two upper and two lower bunks - Cabin 5 has one upper and one lower bunk.

DIVING

We require that all divers be open-water certified.

Our dive decks are well-organized, and each diver is assigned a dive station.

We have a spacious camera table with many power outlets and compressed air.

We provide 80 cubic ft. aluminum tanks that are both DIN & yoke compatible, as well as weights and belts.

We dive from two 18' Achilles inflatable pangas, each with a driver vigilantly looking for bubbles. Getting from the boat to the dive site typically takes just a few minutes. The pangas have sturdy, easy-to-use ladders.

We divide passengers into three groups, each with a divemaster to lead the dives. Each group will dress, receive a dive briefing, put on their gear, and board the panga. Divers enter the water with a back roll. Our crew is happy to help divers with knee or back issues. We dive as a group. At the end of the dive, the panga will come to you. Divers will remove their weight belt and BCD, and the driver will lift it into the boat. Once at the ladder, divers remove their fins and climb into the boat. When the panga returns to the boat, the crew will put your gear away for you. Our crew is happy to hand you your camera.

As diving can be physically demanding, it's crucial that divers are in good health, dive regularly, and have been diving recently. Our divemasters and instructors are guides only, and are not responsible for teaching dive skills or looking after guests who do not have basic buoyancy skills. Each diver must understand their diving capabilities and limitations.

We suggest booking a private divemaster if you need additional attention during your diving experience. This is \$600. To secure a private divemaster, please coordinate this at least 30 days before your trip. You can do this by contacting us at info@MexicoLiveboards.com.

Proof of diving certification and dive insurance is required.

Without proof, you will not be able to dive.
NO EXCEPTIONS!

COMMUNICATIONS

Our vessels maintain daily radio communication with our US office, and we are ready for constant communication in the event of an emergency. Your family and friends can contact our office at (602)558-9580 in an emergency. Our office staff will immediately assist your family and friends in getting messages to you. We also have a satellite phone onboard for your use and emergency needs at \$2 per minute.

We do not have Wi-Fi on the boat, but you may have cell service up to one hour from the marina.

Rocio del Mar satellite phone: 011 881 652 431 156

Quino el Guardian satellite phone: 011 881 632 654 109

ITINERARY

Below is our scheduled diving itinerary. Weather and sea conditions may alter this itinerary, and if unique animal sightings arise, we may suggest options to divers.

Day 1: Embark at 5 pm in Puerto Peñasco / Dinner and departure at approximately 7 pm

Day 2: Isla Ángel de la Guarda / 3 dives / Sunset cruise with sea lions

Day 3: Isla Ángel de la Guarda / 3 dives and a night dive

Day 4: Isla San Pedro Mártir / 3-4 dives

Day 5: Isla San Pedro Mártir / 3-4 dives

Day 6: Isla Salsipuedes / Isla Las Ánimas / 3 dives and a night dive

Day 7: Bahía de los Ángeles / 2 dives / Snorkel with whale sharks

Day 8: Arrive in Puerto Peñasco and disembark at 7:30 am

PARK FEES

Park fees are 115 pesos per day in the park, whether diving or not.

CONANP is the park authority. Mexico Liveboards has no control over the park and must pay all park fees to CONANP when the boat departs.

PARK FEES ARE SUBJECT TO CHANGE WITHOUT NOTICE

FOOD & BEVERAGE

This is one of the things that our liveaboards are best known for ... the food!

Each day starts early with a continental breakfast with fresh fruit, cereals, bagels, yogurt, breads, and freshly brewed coffee. After the first dive, guests enjoy a plated, made-to-order breakfast. After the second dive, guests will be served a hot homemade soup followed by a hot plated lunch. We serve a large snack in the afternoon, often sandwiches, ceviche, fruit, cheeses, and more. For dinner, guests enjoy a three-course, plated meal with a salad, entrée, and homemade dessert. Hot and cold beverages are always available, including canned soft drinks.

Divers also enjoy complimentary beer and wine after their last dive of the day.

Our chefs can accommodate most special dietary needs, including gluten-free and vegan, with a wonderful variety of delicious options.

SPECIAL OCCASIONS

Please let us know if you are celebrating a special occasion such as a birthday or anniversary. We would love to celebrate it with you.

OUR CREW

The only thing better than the food aboard Rocio del Mar and Quino el Guardian is THE CREW! Our captain, steward, panga drivers, divemasters, and engineer work together as a team to ensure your comfort and safety and that you come away feeling like you have a new family in Mexico.

Please let your crew know if there is anything you want or need anytime during your trip. No request is too big, and no job is too small.

PASSENGER DOCUMENTS

Passenger information and liability releases are completed online. The more information we have about you (including dietary restrictions or preferences), the better we can serve you.

Please complete the **Online Passenger Registration** no later than 30 days before your departure date. This form can be found on the home page of our website, www.MexicoLiveboards.com. Scroll to the bottom of the home page, and it is under Pre-Trip Information.

Please read all of the instructions before you start and gather all relevant documents, such as dive certifications, medical and dive insurance information, etc.

Once you start, you will have a 4-hour window to complete the form; otherwise, you will need to restart the process. If you do not have the travel information now, you can leave it blank (and update it later).

To update your travel information, you can do this under **Online Passenger Travel Update**. This form can be found on the home page of our website, www.MexicoLiveboards.com. Scroll to the bottom of the home page and it is under under Pre-Trip Information.

The date format is month/date/year. The form will not accept any other format. Therefore, if you are receiving an error, this is likely the cause.
EXAMPLE: January 17, 2024 is 01/17/2024.

We have a **Customer Portal** for returning guests. Please email Guest Services at Documents@MexicoLiveboards.com and we will send you a link and password to the Returning Customer Portal.

Once you completed your passenger information, you can download and print a copy for your records.

The Harbor Master requires a copy of all passports prior to the trip. Please send this to Documents@MexicoLiveboards two weeks prior to your trip.

If you have any questions or need assistance, please get in touch with Valerie in Guest Services at Documents@MexicoLiveboards.com.

Please include if you are taking the shuttle as we coordinate the passenger list with Head Out To Rocky Point.

IF WE DO NOT RECEIVE YOUR PASSENGER DOCUMENTS, INCLUDING THE SIGNED LIABILITY RELEASE, PRIOR TO DEPARTURE, YOU MAY BE REFUSED BOARDING.

GETTING TO THE BOAT

Our vessels are located in Puerto Peñasco, Mexico. It is approximately a four-hour drive from Phoenix, Arizona, and the border is crossed approximately one hour from Puerto Penasco.

FROM THE UNITED STATES

Most guests fly to Phoenix Sky Harbor Airport (airport code PHX) as it is the most convenient and closest airport to fly into to reach our port.

We facilitate transportation services to and from Phoenix and the boat through Head Out to Rocky Point. This shuttle service has 14 passenger vans that haul trailers for gear. The cost is \$150 per person, round-trip, booked, and payable directly to Head Out to Rocky Point. If you require this service, please do two things:

- Reserve and pay at: www.HeadOutToRockyPoint.com/scuba
- Indicate this on your passenger documents

Head Out to Rocky Point accepts credit cards on their website, or you can pay by cash (USD only) on-site. Be sure to use this link as they provide our guests with a discounted rate.

The shuttle picks up all passengers promptly at 1 pm at Terminal 4, door #5 at the outer curb, northside arrivals. We suggest all passengers schedule their flight to Phoenix Sky Harbor airport to arrive no later than 11 am.

Head Out To Rocky Point has been in business since 2007 and does this route multiple times per week. The trip takes 4 ½ hours, and the driver will stop along the way, allowing people to use the restroom. There is a convenience store and grocery store should people want to purchase snacks, including alcoholic beverages. We cross the international border at Lukeville/Sonoyta about one hour before arriving at the boat.

DRIVING TO PUERTO PEÑASCO

The marina is under construction. Please contact us prior to your trip for the boat location. Guests cross the US/Mexican border at Lukeville (US) and Sonoyta (Mexico). There is secure parking next to the marina for \$5 per day. When you arrive, a divemaster will show you where you can park.

OPTIONS WITHIN MEXICO

There are the following options for guests wanting to get to Puerto Peñasco within Mexico, listed in order of ease and popularity:

OPTION 1

Guests can fly into Hermosillo (airport code HMO). You can take a cab from the airport to the Albatros bus station (www.albatrosautobuses.com). There are several daily buses, and it takes about 5-6 hours. You must take the 7 am departure to arrive at Puerto Peñasco for the 5 pm boarding time.

OPTION 2

Fly into Mexicali and rent a car. You will want to rent a car for the round trip because the same-day drop-off fee is outrageous. There is secure parking next to the marina for \$5 per day.

OPTION 3

Guests can fly into Mexicali. This option is very rough travel, i.e., third-world travel. You will need to take a taxi from the airport to ABC bus station, about a 30 min taxi drive, estimated 500 pesos. ABC bus has only one bus scheduled to Puerto Peñasco for late flight arrivals. The bus doesn't leave until approximately 1 am and arrives in Puerto Peñasco at 6 am. That means guests would have to wait at the bus station until departure. The bus station is daunting, and you travel all night. Then they need to find something to do until the boarding time at 5 pm.

If the flight arrives early at Mexicali, there are more buses. We highly recommend making a bus reservation online otherwise, the guests stand in line at the bus terminal for a ticket.

Transportes Abc

Transportation service in Mexicali, Mexico

Address: Blvd Lázaro Cárdenas 407, Los Reyes, 21298 Mexicali, B.C.

Phone: 01 686 131 7282

www.abc.com.mx

FMM / MEXICAN TOURIST CARD

All passengers (except for Mexican nationals) must have an FMM. The Mexico FMM (Forma Migratoria Múltiple, also known as a tourist card) is a tourist permit that enables travelers to visit Mexico and is required by the Harbor Master. You can purchase an FMM at the border. The cost is approximately \$35 US and can be paid in cash or with a credit or debit card. If you use cash, it is good to bring \$3-\$5 extra as the amount can fluctuate based on the exchange rate, and the agents do not give change.

The boat cannot leave the harbor unless all passengers have an FMM.
NO EXCEPTIONS!

RETURN

The boat will return to the marina in the early morning, and passengers must be ready to depart by 7am. Our steward will serve a continental breakfast. The shuttle will pick up passengers promptly upon disembarking. The trip takes 4 ½ hours and will cross the international border approximately one hour after departure. The driver will stop along the way, allowing people to use the restroom and purchase snacks.

We suggest guests book their departing flight from the Phoenix Sky Harbor Airport at 2pm or later.

Before you leave, please double-check your cabin, salon, dive deck, and wetsuit rack for any personal items you may have left behind. Unfortunately, shipping forgotten items from Mexico is cost-prohibitive, and we cannot guarantee delivery.

WATER TEMPERATURES

One of the most popular questions we receive concerns water temperature. The Sea of Cortez is a seasonal sea that changes temperature according to the seasons.

Our trips begin in early July when the temperatures are approximately 73-78 degrees Fahrenheit (cooler in the northern portion of the diving and warmer in the south). It increases by about 2 degrees Fahrenheit every week, tops off at about 79-84 degrees mid-August, and remains there until about mid-September. After mid-September, the temperatures drop an average of 2 degrees Fahrenheit weekly.

NITROX CERTIFICATION

We offer nitrox classes and certification through PADI on most of our trips. The price is \$200 per person. You will be able to dive nitrox throughout your trip. The price for nitrox is \$140 per person.

If you would like to take a Nitrox certification class, please contact Guest Services at documents@mexicoliveaboards.com to confirm the availability of an instructor on your trip and make the appropriate arrangements.

SUGGESTED GEAR & CLOTHING

We absolutely recommend exposure protection on our trips. Many guests have found that a 5mm wetsuit with a hooded vest works best for July through the first week of August, then a 3mm wetsuit with a hooded vest through mid-September. Guests may wear less during mid-day dives in late August and early September. Gloves are permitted and recommended. A light hood is good for night dives as there is significant krill in the water. A rash guard for sun protection is suggested when snorkeling with whale sharks.

We recommend a dive light, as looking under the rocks and crevices is fun. Plus, it makes the colors come alive!

The dress is casual. Do not forget your hat, sunglasses, and sunscreen.

Stream2Sea makes reef-safe sunscreen, and [we have a link on our website](#) and our guests receive a 10% discount.

Every diver is required to have a dive computer, a safety sausage (SMB) and a whistle.

RENTAL DIVE EQUIPMENT

We have a limited number of regulators, BCDs, and HP steel 100cu ft/12L steel tanks available for rental at \$50 each per trip. We also have Shearwater Peregrine computers for rent at \$75 each per trip. Please let us know as early as possible before your trip if you want to rent equipment so we have it onboard for you. We do not rent exposure suits, hoods, fins, masks, safety sausages (SMBs), whistles, or lights. As we have a limited number of these items available to rent, they are available on a first-come, first-served basis. Please contact Valerie in Guest Services to reserve your equipment at Documents@MexicoLiveboards.com.

If you need wetsuits, fins, masks, booties, SMBs, etc., these may be able to be rented or purchased at:

SPECIAL NOTE – BEES

At some islands, we can encounter swarms of honeybees that come to the boat searching for fresh water in the rinse tanks and near the outside showers. We encourage everyone to wear foot coverings when walking around the deck. Divers with an anaphylactic response to bee stings should carry their own EpiPen or equivalent. If your epinephrine device needs to be stored at 68-77F, please see the lead divemaster or captain when boarding, and we will keep these in the galley for you.

WHAT IS INCLUDED IN THE PRICE OF THE TRIP

All taxes & port fees

All meals, snacks, and beverages, including canned soft drinks

Complimentary local beer and wine

Tanks (aluminum 80cu ft), weights, and weight belts

WHAT IS NOT INCLUDED IN THE PRICE OF THE TRIP

National Park Fee – 115 pesos per day of diving*

Nitrox Fee - \$140

Transfers to and from the boat

Crew Gratuity (10%-15% of the trip price is customary)

Rental Gear (if applicable)

Fuel Surcharge** if applicable

Park fees, nitrox, and gratuities can be paid at the end of the trip or before departure. To pay in advance, please contact Carmina at Carmina@MexicoLiveaboards.com. We use the conversion rate for the park fee based on the day of sailing. If there is a difference, you can pay for it at the end of the trip.

Mexico Liveaboards accepts US dollars, euros, pesos, Visa, MasterCard, American Express, and Discover Credit Cards. We do not charge a fee for credit card use.

*Park fee is only charged on diving days (not travel days) for all passengers, whether diving or not. It is subject to change without notice.

**Fuel Surcharge: Rocio del Mar has the right to implement a fuel surcharge on all trips if the cost of fuel exceeds 20 Pesos per liter. Should this occur, all guests will be notified before boarding.

OTHER IMPORTANT INFORMATION

Although we do our best to accommodate cabin-type requests, we reserve the right to assign all cabins.

All guests are required to have dive/evacuation insurance. [Dive insurance can be purchased through our website from Divers Alert Network.](#) If you have private health insurance coverage for dive accidents/evacuation, provide only the page that states coverage for a scuba diving accident (including evacuation) and the declaration page showing you are the owner of the policy and policy number.

You will be at sea, and though it can often be calm, please be prepared for rough seas. Several over-the-counter remedies can help you. If you have a propensity to motion sickness or are concerned that you might develop symptoms, please prepare yourself with preventive measures before departure. Please consult your physician about what will work best for you.

Marijuana and all drugs are illegal in Mexico. Do not bring these on board.

UNFORESEEN EVENTS / TRIP INSURANCE / TRIP INTERRUPTION

Rocio del Mar and Quino el Guardian are of the utmost seaworthiness and approved by the US and Mexican Coast Guards. They are equipped with state-of-the-art electronics and all required safety equipment.

Passenger safety is paramount; therefore, the captain has the sole discretion to change, delay, return early, or cancel the cruise if necessary. Reasons include, but are not limited to, bad weather, perils of the sea, acts of God, political incidents, or force majeure.

We highly suggest trip insurance as it can reimburse you for unused, non-refundable, prepaid trip costs if you are prevented from taking your trip due to a covered reason. All trip insurance is not the same, so it is essential to make sure that you purchase travel insurance that includes travel interruption.

[Trip insurance can be purchased through our website from Divers Alert Network.](#)

We highly recommend all passengers purchase travel insurance.

DEPOSITS & CANCELLATION TERMS

INDIVIDUAL BOOKINGS

DEPOSITS

- A 25% deposit is due to hold the reservation
- 25% is due six months before the scheduled trip date
- The remaining balance is due three months before the scheduled trip date

Ensuring all scheduled payments are made on time is crucial. Failure to do so may result in the cancellation of your trip, with all monies paid to date being forfeited.

CANCELLATIONS

- There is no penalty for cancellations made 9 months or more before the scheduled trip date
- 25% of the total rate will be forfeited for cancellations made 91 days to 9 months before the scheduled trip date
- 50% of the total rate will be forfeited for cancellations made 61 to 90 days before the scheduled trip date
- No refunds for cancellations made 60 days prior or less to the scheduled trip date

GROUP BOOKINGS

DEPOSITS

- A \$5,000 non-refundable deposit is due to hold the reservation
- 25% of the trip price is due one year before the scheduled trip date (the \$5000 deposit can be used to make up the 25% deposit)
- 25% is due six months before the scheduled trip date
- The balance less your commission is due three months before the scheduled trip date

Ensuring all scheduled payments are made on time is crucial. Failure to do so may result in the cancellation of your trip, with all monies paid to date being forfeited.

CANCELLATIONS

- There is no penalty for cancellations made 12 months or more before the scheduled trip date; however, the \$5000 deposit is non-refundable
- 25% of the total rate will be forfeited for cancellations made 12 months to six months before the scheduled trip date
- 50% of the total rate will be forfeited for cancellations made six months to 91 days before the scheduled trip date
- No refunds for cancellations made 90 days or less before the scheduled trip date

HOTEL RECOMMENDATIONS

HOTELS NEAR PHOENIX SKY HARBOR INTERNATIONAL AIRPORT

Most of the hotels provide a complimentary shuttle to and from the airport. If you are taking the Head Out to Rocky Point shuttle, you will need to go back to the airport to get the shuttle (terminal 4, door #5 at the outer curb, northside arrivals). Pick up is at 1 pm. If you have a group of 10 staying at the same hotel, Head Out to Rocky Point will pick you up at your hotel. Please arrange this directly with Head Out To Rocky Point at HeadOutToRockyPoint@gmail.com.
